Your Church Directory

This booklet has been prepared for the purpose of giving a better understanding of the working organization of the church and its program. We hope that each person will find this a convenience and will be encouraged and stimulated for a greater growth in Christian service.

We strive for accuracy in the copy. Please inform the Pastor or any Directory Committee member of new addresses, changes in organization within the church or other information to include in this directory.

Church of the Brethren

The Church of the Brethren, founded at Schwarzenau, Germany, in 1708, sought to unite in faith and practice the streams of spiritual idealism of that day. The founders believed that men were justified by faith, but insisted that faith was not genuine unless expressed in the good life.

The genius of the Brethren consists in relating religion to life, belief to action, and theology to ethics, resulting in a demonstrative Christianity. The church, therefore, extends a ministry to the world which offers redemption to sinners, relief to the needy, assurance to the hungry of heart, joy and harmony to the home and family, love and brotherhood to the church, and peace, justice, and neighborliness to the world.

The Brethren witness begins with a humble confession of sin. It continues with an unceasing prayer for purity of heart, the clearness of spiritual vision, and for grace to bend the human will to the will of God. It seeks to touch all of life, and to build under the Lordship of Christ a redeemed world of personal excellence and of social righteousness. We, under the guidance of the Holy Spirit commit our lives and our total resources to a fuller realization of our opportunities and responsibilities, and to more faithful service.

Mission, Vision and Guiding Principles

Our Mission: We expect to be changed while sharing the love of God with the community, our world, and each other by following Christ.

Our Vision: (To be) a growing, vibrant, visible, faith-grounded, intergenerational congregation committed to spiritual growth, service and community.

Guiding Principles:

We value following Christ, therefore we will:

- Seek spiritual growth
- Love even when it hurts
- Lead by example
- Educate one another biblically and spiritually
- Wash one another's feet

We value using our God-given gifts, therefore we will:

- Make an effort to identify gifts
- Provide opportunities to explore gifts
- Encourage people to use their gifts
- Be sensitive to change in people's circumstances, avoiding "burnout"

We value dedication, therefore we will:

- Step up and do our part
- Embrace Brethren principles
- Hold each other accountable
- Follow through on commitments made

We value nurturing each other, therefore we will:

- Provide a caring opportunity for sharing joys and concerns
- Be a caregiver to each other
- Learn to nurture and care for ourselves

We value and respect difference, therefore we will:

- Listen to each other
- Encourage differences to be expressed
- Agree to disagree and still value each other in Christian love

We value being intentional, therefore we will:

- Evaluate in a timely manner
- Commit to being open to change
- Act according to planning process outcomes

We value caring, therefore we will:

- Be sensitive to the needs of others
- Acknowledge life's milestones

- Listen to each others' need for support
- Actively include others (reach out), especially new people

We value being service-oriented, therefore we will:

- Find a role for everyone
- Identify and link people with their spiritual gifts and interests
- Anticipate needs of others/community/world
- Identify and volunteer our own services
- Maintain connections with CROP and Habitat
- Support ongoing missions = "dig more wells"

We value being adaptable, therefore we will:

- Expect change
- Be open minded in our thinking and planning
- Be willing to take risks
- Not be stuck in the same old way

We value being creative, therefore we will:

- Provide a space for creative arts in our area
- Explore different styles of worship
- Encourage creative ideas, activities, and "thinking outside the box"
- Explore the hymnal
- Be open to religious expression from other cultures
- Use more drama in worship

Vision Priorities

- We are focused and intentional about our spiritual growth.
- We link with other churches and agencies that have missions compatible to ours.
- We are growing and are intergenerational.
- We are collectively intentional about our visibility including our building and programs.
- Our facilities are used to their full potential.
- We continue to improve the effectiveness of our organization.
